

ECON 3818-200

Introduction to Statistics with Computer Application

Fall 2008

Instructor: Meg Nishimura

PhD student

Research Interests: International Trade, Industrial Organization

Class Meeting Times: MWF 13:00-13:50 @ CLRE 207

Office Location:

Please note that while we will make use of the statistical tools in Excel, the class is primarily a statistics course and not a computer applications course.

Textbook:[Required]

David S. Moore *The Basic Practice of Statistics*, 4[Required]

Tentative Course Schedule:

Week of

Cour

General Policies

1. There will be NO make-up exam for this class without a formal document. If you need to take the final other than the scheduled time, you have to inform me at least 2 weeks ahead with a formal document.
2. If you have any question about the materials, like problem sets, you are more than welcome to come to my office hours.
3. Any concern or question about your grade should be raised within 1 week after it is posted on CU Learn.

Honor Code:

All students of the University of Colorado at Boulder are responsible for knowing and adhering to the academic integrity policy of this institution. Violations of this policy may include: cheating, plagiarism, aid of academic dishonesty, fabrication, lying, bribery, and threatening behavior
