ECON 3818-200

Introduction to Statistics with Computer Application Fall 2008

Instructor: Meg Nishimura

PhD student

Research Interests: International Trade, Industrial Organization

Class Meeting Times: MWF 13:00-13:50 @ CLRE 207

Office Location:

Please note that while we will make use of the statistical tools in Excel, the class is primarily a statistics course and not a computer applications course.

Textbook:[Required]

David S. Moore *The Basic Practice of Statistics,* 4[Required]

Tentative Course Schedule:

Week of

Cour

General Policies

- 1. There will be NO make-up exam for this class without a formal document. If you need to take the final other than the scheduled time, you have to inform me at least 2 weeks ahead with a formal document.
- 2. If you have any question about the materials, like problem sets, you are more than welcome to come to my office hours.
- 3. Any concern or question about your grade should be raised within 1 week after it is posted on CU Learn.

Honor Code:

All students of the University of Colorado at Boulder are responsible for knowing and adhering to the academic integrity policy of this institution. Violations of this policy may include: cheating, plagiarism, aid of academic dishonesty, fabrication, lying, bribery, and threatening behavio
