

DECLARATION

The College of Music at the University of Colorado, Boulder, acknowledges that the University sits upon land within the territories of the Ute, Cheyenne, and Arapaho peoples. Forty-eight contemporary tribal nations are historically tied to the lands that make up the state of Colorado. Their forced removal from these territories has had devastating and lasting effects. While the University of Colorado, Boulder, can never undo or rectify the devastation wrought on them, we commit ourselves to improving and enhancing relations with Indigenous peoples and issues locally and globally.
